Nandita Shankar

| nandita.shankar2@case.edu | (480) 364-5410 |

Education

Case Western Reserve University (CWRU), Cleveland, OH

M.S. Clinical Research *Expected: May 2027*

GPA: 4.00

B.S. Biology *Expected: May 2027*

GPA: 3.93

Minors: General Anthropology, Chemistry, Spanish

Study Abroad: Universidad Carlos III de Madrid (UC3M), Madrid, Spain (Fall 2023) and Short-Term Faculty-Led Tropical Plant Biology Course, Sabah, Malaysia (May 2026)

Experience

CWRU Department of Biology, Cleveland, OH

Undergraduate Researcher, Crown Lab *May 2025 - May 2026*

- Investigated molecular mechanisms of meiosis using gel electrophoresis, yeast two-hybrid assays, PCR, and immunofluorescence imaging to characterize protein-protein interactions
- Analyzed experimental results to identify proteins involved in meiotic recombination

Undergraduate Teaching Assistant for Lab Course *August 2024 - May 2026*

- Guided students through laboratory techniques and protocols, assisted in preparing for lab experiments, monitored student safety and progress

Arizona State University, Tempe, AZ

Research Assistant Internship, Lynch Lab *May 2024 - August 2024*

- Conducted molecular biology experiments using PCR, gel electrophoresis, DNA extractions, and tissue dissections to identify molecular indicators of aging

Midwestern University, Glendale, AZ

Research Internship, Lee Lab *February 2023 - May 2023*

- Conducted research in avian anatomy, focused on immunolabeling, identified structural and cellular characteristics of skeletal tissue, presented findings

Community and Civic Engagement

Cleveland Botanical Garden, Cleveland, OH

Glasshouse Ambassador and General Volunteer *September 2025 - Present*

- Coordinated public educational outreach, enhanced guest experience through guiding visitors, facilitated engagement with exhibit

Tutor, Cleveland,OH and Scottsdale, AZ
Independent Tutor *Fall 2018 - Present*

- Tutor 20+ students in over 10 subjects for 500+ hours, create individualized resources for one-on-one tutoring, evaluate student progress, facilitate an improvement in material comprehension

Honors and Awards

Dean's High Honors Fall 2023 - Present
Junior-Senior Scholarship, Case Alumni Association Fall 2025 - Present
Civic Engagement Scholar, Center for Civic Engagement and Learning Fall 2025 - Present

Certifications

Collaborative Institutional Training Institute (CITI) Certification in Human Research (Biomedical Research)
